BIBLIOGRAPHY OF OFFICIAL PUBLICATIONS OF AMERICAN INSTITUTIONS FOR CRIPPLES

The entries listed below index the present state of one section of the library on the care of cripples in process of compilation by the editor of the *American Journal of Care for Cripples*—the section of official publications of American institutions for cripples. As the collection is augmented—and it is most important that it should be—revised supplementary lists will be published.

Each entry is made under the name of the organization publishing the document, though in some instances the particular cripple activity concerned constitutes a subsidiary activity and so is not expressly referred to in the indexing. Thus, *e. g.*, the reports of work at Sea Breeze Hospital, Coney Island, N. Y., appear in the publications of the Association for Improving the Condition of the Poor, New York City.
